Planning for Collaboration

► **PCOR Toolkit for Community Behavioral Health Organizations Serving Latinos (Step 2: Project Planning and Design)**

Authors: Luke Smith, Karla Siu, Kathleen Thomas, Mónica Pérez Jolles

Source: El Futuro, October 2017

Length: 5 pages

This resource presents recommendations for developing a project plan that aligns with the PCOR Standards of Engagement, as well as a project timeline template. Recommendations include guidance on how to assemble a leadership team, hold meetings with project partners, and develop a project summary.
