Sustaining Engagement

► Building and Sustaining Commitment

Author: Eric Wadud

Source: Center for Community Health and Development. (n.d.). *Chapter 14, Section 5: Building and Sustaining Commitment*. University of Kansas. Community Tool Box. Accessed June 2, 2020.

Length: 4 pages

Although the tool box is designed to guide community engagement in health, this section is applicable to multi-stakeholder research teams that need to build and sustain commitment to work together throughout the study. The section provides insights on what motivates individuals to commit to long-term projects and what causes commitment to fade.
